

# TRANSFOTECH GLOBAL BANGLADESH

# ABOUT US

We are on a mission to revolutionize the training and consultancy landscape in Bangladesh. As a proud extension of Shera International Group, we bring world-class expertise in training, academic collaboration, human resource development, and job placement. Our programs are meticulously designed to equip participants with cutting-edge skills that align with industry demands, ensuring they stand out in today's competitive job market.

As a branch of the esteemed USA-based **Transfotech Academy**, we have a proven track record of empowering individuals to achieve career success on a global scale. Our aim is to cultivate talent, build high-performing teams, and serve as a strategic partner in driving Bangladesh's development forward.

We specialize in delivering training across crucial disciplines such as Project Management, Cybersecurity, Business Analysis, Software Quality Testing, and Project and Product Quality Management. In addition, we offer advanced courses in high-demand IT fields like Artificial Intelligence/Machine Learning, Digital Marketing, and Cloud Computing. Our consultancy services span project management and implementation, employee skill enhancement, operational efficiency, and productivity improvements, including comprehensive Train the Trainer (ToT) programs.

Our commitment is to empower today's youth with the employability skills needed for success in the 21st century. We aim to inspire them to create meaningful value in their careers from the very beginning, setting the stage for a lifetime of professional growth.

**Transfotech Global Bangladesh** stands as an emerging leader in the training and skills development sector, distinguished by our dedication to quality and our collaboration with industry-leading experts.

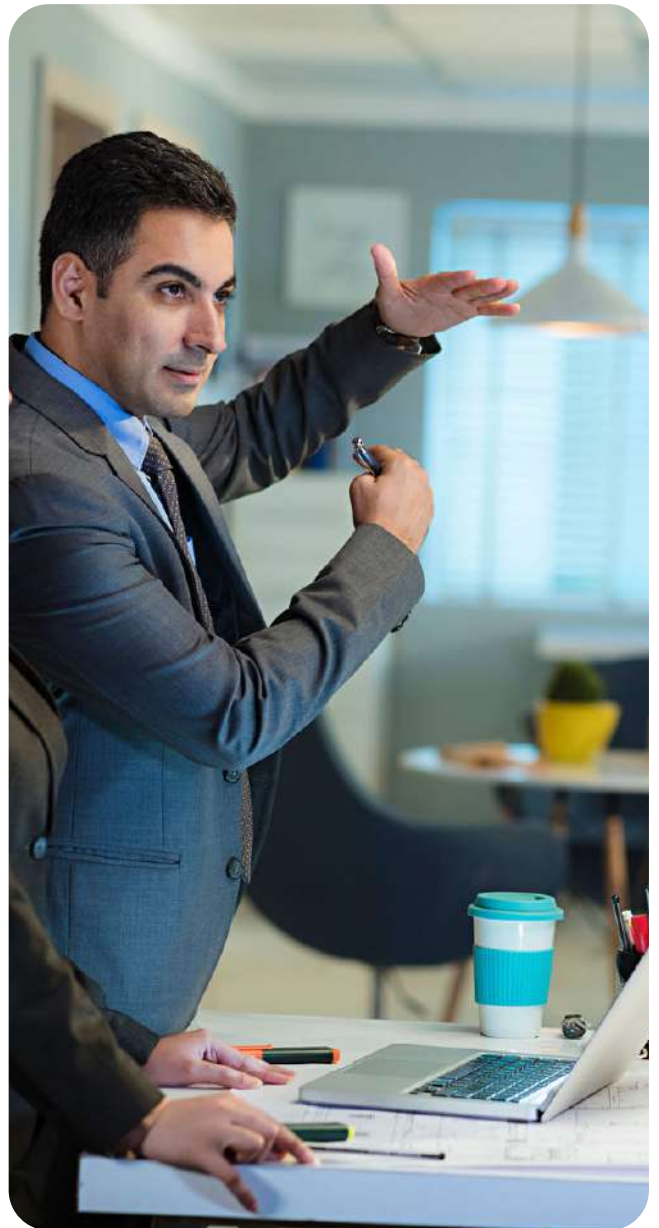

## OUR MISSION

We aim to foster talent, build proficient teams, and become Bangladesh's leading consultancy and development partner.

## OUR VISION

Our vision is to lead in technology and consultancy, driving human resource development in Bangladesh.

# CEO & CHAIRMAN'S PROFILE

**Sheikh Galib Rahman**  
Founder & Chairman

Sheikh Galib is a seasoned technologist and a visionary corporate leader in the global information technology sector. In addition to his extensive career in technology, he is also a successful tech entrepreneur, dedicated social worker, and educational advocate. Over the years, he has contributed his expertise to various U.S. Federal Departments, including the Department of Homeland Security (DHS), U.S. Citizenship and Immigration Services (USCIS), the Federal Reserve Bank, and the Executive Office of the President. Sheikh Galib has also led large-scale technology initiatives for several prestigious Fortune 100 companies such as Accenture, Microsoft, JPMorgan Chase, Capital One, IBM, Capgemini, Disney, PNC, T-Mobile, Huntington Bank, Nationwide Insurance, and Molson Coors, among others.

Throughout his career, he has provided corporate IT training to more than 10,000 IT professionals globally, cementing his reputation as a leader in IT education. Sheikh Galib is also the founder of Transfotech Academy, a high-quality IT training institute based in the heart of New York. Although he has lived in the U.S. for over 15 years, he remains deeply connected to his roots in Bangladesh.

A few years ago, he expanded his entrepreneurial vision by launching Transfotech Global Bangladesh, a training and consultancy service platform aimed at fostering professional development in Bangladesh.
